

MEETING #58 HIGHLIGHTS

January 22, 2015

Welcome and Introductions

- Over 30 participants from the Upper and Lower Santa Clara River Watershed
- Representation from: Agriculture, NGOs, Water Districts, Citizens, Consultants, Cities, and County Agencies.

Watershed Coordinator Role

- Increase Public Outreach from the "Headwaters to the Sea"
- Create forum for discussion between meetings
- Contact Lynn Rodriguez regarding funding 2015 coordinator role

WCVS Steering Committee

- ACTION on Agenda Item 5a - Consider adding steering committee representatives.
 - Instead of adding the three steering committee representatives, recommend WCVS form an ad hoc committee to review changes to the charter.
- ACTION on Agenda Item 5b - WCVS alternate steering committee member selection.
 - Consensus approval of committee's nominee from Sierra Club.
 - Congratulations to Nina Danza.

**Next Meeting: Salt and Nutrient Management Plan CEQA Scoping Meeting
Thursday February 26, 2015 10am at United Water Conservation District**
