  - El Rio Retrofits for Groundwater Recharge, County of Ventura
  - Groundwater Replenishment Reuse Project, City of Oxnard
  - Water Wise Incentive Program, City of Ventura
  - Invasive Plant Removal, Ecosystem Restoration, and Habitat Protection Project, Caltrout

---

***Mission Statement***

*Stakeholders in the Santa Clara River Watershed are dedicated to the conservation of the Santa Clara River, from its headwaters and tributaries to its estuary, for the mutual benefit of the natural resources dependent on the river and the people who live, work, and recreate along the river.*  
*([www.SCRwatershed.org](http://www.SCRwatershed.org))*

6. **IRWM Plan Update** – Lynn Rodriguez, Watersheds Coalition of Ventura County
  - To access funds portions of the Watersheds Coalition of Ventura County (WCVC) IRWM Plan need to be updated. We will discuss the required changes including those that will require active participation by the Lower Santa Clara River Watershed Committee
  
7. **Greatest Water Needs in the Santa Clara River Watershed – Discussion** – Everyone
  - A central element in the IRWM Plan update will be re-visiting and re-defining the greatest needs and objectives within the watershed. We will re-visit the priorities in the IRWM Plan and discuss how they align with the California Water Action Plan. This will be critical in developing, reviewing, and recommending projects for implementation funding.
  
8. **Watershed Coordinator Update** – Lara Meeker, Watershed Coordinator
  
9. **Adjourn**
