Please review the 2019 Integrated Regional Water Management Grant Program Guidelines [here](#)

Application Eligibility and Process

You will find information about application eligibility requirements in the PSP in Table 1. The Self Certification Form provides eligibility requirements that must be met by a project applicant/sponsor to be considered for funding by DWR. The Self Certification Form is found [here](#) in and is part of Attachment 1.

Eligible applicants seeking to present an eligible project for consideration need to complete the project submittal form found in the WCVC GIS portal: <https://maps.ventura.org/WCVC/> *If you have any technical issues with the form, please contact Krista Winger in the County's GIS Program at krista.winger@ventura.org or (805) 654-2341.*

IRWM Plan

Please review relevant sections of the [WCVC 2019 IRWM Plan Amendment](#) (particularly Sections 5, 7, 8 and 13) to better understand how your project(s) align or comply with the Plan. This will help as you complete sections of the online form.

Important Dates

Prop 1, Round 2 **Briefing** – for all potential applicants/projects: **Thursday, June 30, 2022 at 9:00 a.m.** at United Water Conservation District, 1701 North Lombard Street, Suite 200 on Oxnard.

Prop 1, Round 2 **Project Submission Deadline: August 1, 2022** at 5:00 p.m. Project submittals will be reviewed by the watershed committees and the WCVC Steering Committee in late August and early September.
